Canning

With more than 50 years experience at filling our own freezers and canning shelves, now we are offering the service to you!

Our services can save you time shopping, planning, preparing and cooking your family meals.

We can help you and your family save time and be healthier!

Place orders on a daily, weekly or monthly basis during harvest season. We will cook, can or freeze your food products or acquire them through local farmers as the products come available.

Depending on the season the following may be available in limited supply.

- Jams or Jellies
 - Strawberry
 - Elderberry
 - Blackberry
 - Ground Cherry
- Pickles
 - Bread & Butter
 - Dill
 - Other Varieties available
- Sauces
- Relishes
- Mustards
- Dressings
- Bases

Check with us for current availability.

Ask us for the growing season charts for this year and next for your enjoyment.

Sandwich Peppers in Sauce, Green Tomatoes, Red Tomatoes, Sauerkraut

Freezing

Afraid to buy produce or meat in bulk because you just don't have the time to get it ready to freeze? We can take that chore off your hands. We can use your produce or meat or can acquire it for you and get it frozen and prepared for you to pick up.

Blackberry picking for freezing

Cooking

We are offering healthy home cooked meals that can be fully prepared and heated for those busy days. We can cook part or an entire meal for that special occasion.

Falling behind and have no time for shopping? Give us your list and we can acquire the items for you and prepare lunch, dinner or freezer meals for you.

Custom Sewing & Alterations

We also offer custom sewing and alterations. We can fix hems, rips and tears or do complete custom work.

Here are some of the services we offer:

- Custom Fit Shirts
- Jackets
- Clothing
- Using specialized fabrics such as deer hide, and camo
- Using regular fabrics.
- Alterations of size, length and repairs

Watch for our homemade crafts, quilts, table runners and unique gifts.

We are registered with the Pennsylvania Department of Agriculture.
